

# **Location of Chiropractic Associates of Worcester**

Chiropractic Associates of Worcester is easy to find. We relocated to our current location at 546 Mill Street in 2004. At that time the interior and exterior underwent a total renovation to offer a modern and updated facility. We have free and ample parking in a quiet neighborhood setting. Our office is at the west end of Mill Street in Tatnuck Square. We are located near the Worcester Airport and Worcester State University.
